

## **COACHING COORDINATOR**

The coaching coordinator acts as a proactive liaison point between the coaching staff for all the clubs teams and the committee. The role also extends to support and mentoring all the clubs coaching staff.

### **Coaching Coordinator duties may include but are not limited to:**

- Seek out interest in coaching roles for an upcoming seasons.
- Provide a short list of coaches for each team across the club to the executive committee.
- Support the executive committee in appointing coaches for each team within the club at the beginning of the season.
- Preside over coaches meetings and work with coaching staff to provide the players the best possible learning environment.
- Attend and represent coaching staff at monthly club committee meetings.
- Provide any support material and information to assist coaches in doing their job.
- Ensure all coaches complete an appropriate level coaching course run by the AFL each season at the clubs expense.
- Assist coaches where necessary during training sessions.
- Communicate and implement AFL by laws and modified rules as they apply.
